FUEL ENHANCER

Cutting Fuel Costs While Staying "Green"

DESCRIPTION

WSB Fuel Enhancer is a revolutionary fuel supplement that addresses and solves today's Gas and Diesel engine challenges with a concentrated application. 1 gallon treats 5000 gallons of fuel! Add 1 oz **WSB Fuel Enhancer** to your fuel tank for every 39 gallons of fuel.

BENEFITS

- Increases fuel economy up to 10%
- Reduces cumulative emissions by 60%
- Improves lubricity for regulated low-sulfur diesel fuels up to 400%
- Is a non-regulated formula that contains no alcohol or cetane boosters
- Reduces water content and prevents bacteria growth
- Stabilizes fuel for storage up to one year
- Inhibits gelling of fuel to -15° F
- Works with gasoline, diesel and bio-diesel fuels
- Reduces carbon deposits in the combustion chamber and lubricating oils.
- Reduces engine clatter

APPLICATIONS

Transportation • Agriculture • Construction • Marine • Manufacturing

TECHNICAL

- **Mix Ratio:** Add **WSB Fuel Enhancer** directly to fuel tank prior to refuel. 1 oz per 39 gallons of fuel. Designed for all fossil and bio-based fuels.

* For initial treatment of vehicles a one-time double dosage is recommended.
