PENETRATING LUBRICANT

Advanced Lubricant Technology Moisture Barrier That Lasts

DESCRIPTION

WSB PENETRATING LUBRICANT creates one of the best known moisture barriers, protecting all moving parts and can be used anywhere corrosion, rust or moisture is a problem. Performs in extreme temperatures and effectively removes corrosion. Will not evaporate. Designed to out-perform other lubricants.

BENEFITS

- Protects electrical connections in harsh environments
- Penetrates rust and corrosion
- Displaces moisture
- Inhibits rust
- Frees and lubricates sticky mechanisms
- Cleans and protects electrical connections
- Resistant to salt water and corrosion
- Protects metal parts from contaminants

APPLICATIONS

Military • Mining • Manufacturing • Marine • Industrial • Agriculture

TECHNICAL

- Mix Ratio: As needed
